## **Republican JOBS II plan pushes forward to create jobs, save jobs and promote healthier business environment**

**Lansing** – Senate and House Republicans today unveiled the next phase of their comprehensive plan to jumpstart Michigan’s stalled economy. The second phase of the legislative JOBS plan – Job Opportunities for Business Success – targets tax relief to businesses that create new jobs and eliminates many of the barriers to entrepreneurial activities.

“This is an action plan,” said Sen. Gerald Van Woerkom, R-Norton Shores. “We need to get Michigan’s economy moving again and our proposed tax cuts will help generate more jobs for working families.”

JOBS II picks up where Republicans left off by creating new job opportunities, saving existing jobs, and promoting a friendlier and healthier business climate in Michigan.

“Michigan must stop putting up road blocks to new job growth and business expansion,” said Senate Majority Leader Ken Sikkema, R-Wyoming. “Michigan currently taxes new jobs, research grant funding, and has a whole host of burdensome state regulations that are hampering economic growth.”

The JOBS II plan is a broad-ranging call to action on Michigan’s job creation front. Specifically, JOBS II would:

- Provide tax relief to businesses that create new jobs;
- Eliminate taxation of federal and state research funds;
- Get broadband on Main Street by expanding Michigan’s Broadband Authority to allow for funding of high-speed Internet infrastructure;

-more-

- Eliminate red-tape nightmares by creating a “bureaucracy buster team” to recommend ways to remove burdensome regulations for businesses;
- Create a personal property tax exemption for the first \$10,000 of a business’ personal property value;
- Keep business bankruptcy assets in Michigan by providing an incentive for companies to participate in the bankruptcy proceedings of other in-state companies;
- Simplify filing of Michigan Single Business Tax forms;
- Expand the use of private labs for state business; and
- Streamline U.S.-Canadian border issues by calling on the governor to create a Michigan-Ontario Border Commission to standardize border-related rules and regulations.

“We want to make sure every Michigan resident has the opportunity to have a job and earn a decent wage,” Van Woerkom said. “Now is the time for action.”

Bills implementing the JOBS II action plan are being drafted and the Legislature could start acting on them within a week. Senate and House leaders both hope to have the entire plan on the governor’s desk before lawmakers break for their summer recess.
